THE COMPANY.

Freeline Limited is a freight and forwarding company that was registered under the Malawi Companies Act 2013. Our registration number is 10118010 and our Tax Pin Number is 20248028.

We provide innovative, effective, efficient and highly personalize Comprehensive Freight Services. We are also active in all aspect of Clearing, Forwarding, Air Cargo' handling, Ship Agency and Warehousing Services.

FORMULAR FOR SUCCESS.

Our formula for success in the customs and clearing services industry starts with these basic principles: We hire the right people, give them the best training and support them with strong leadership and opportunities to grow within the company.

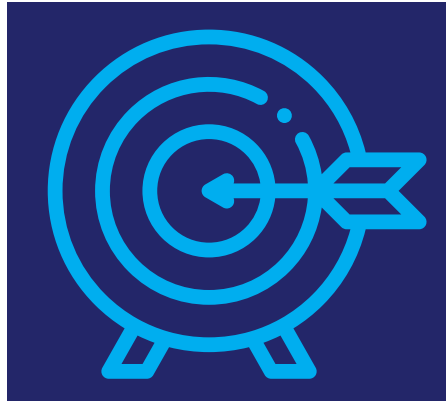

We continually invest in technology that enhances our team's effectiveness and safety and work hard to develop team-oriented officers who are conscientious and motivated. We take pride in providing the most responsive customer service teams in the industry. Our goal is to deliver exceptional service and security to our clients 24 hours a day, 7 days a week.

OUR VISION.

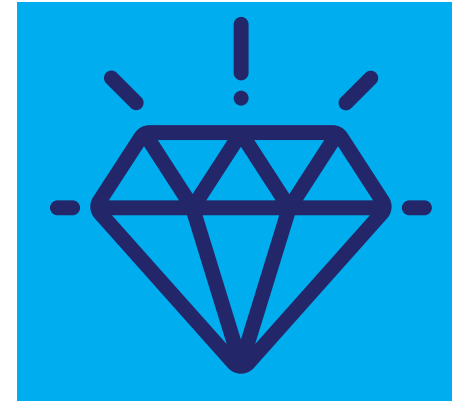

Providing total solutions to our customers ensuring stake holder's interest we intend to the best in the industry by offering specialized logistics solution that encompass high quality innovative services. We would also like to be the market leader and trend setter in the Southern Africa region.

MISSION & PURPOSE.

Our mission is to provide world class service in Shipping Agency, Customs Brokerage, Freight Forwarding, Export Processing, Transportation, Importation of Earth Moving Machines at minimal waiting time, in an atmosphere that value the dignity of labour, honesty and integrity, with dedicated and highly motivated personnel towards ensuring maximum returns to shareholders

COMPANY VALUE.

We pride ourselves with delivering a unique customer experience, creating partnerships with substance and building win-win relationships through employing:

- Highly skilled staff;
- Cutting edge technologies; and,
- Best practice methodologies.

PRODUCTS & SERVICES

We provide the full range of customs clearing and international freight forwarding services. With experienced customs clearing personnel to assist in detailed costing's, audits and tariff classifications. Our online interfacing with MRA and Key airlines, ensures completion of customs clearance process in the shortest possible time.

We offer timely, accurate, efficient and speedy customs clearance and freight forwarding. We have extensive knowledge and experience on the various Customs practices and requirements in SADC, East and Central Africa. This enables us to offer unmatched services in Customs and Port clearance at various Ports of entry and exit.

We have full understanding and expertise in Customs online systems, acquired through years of experience right from the piloting stages through to implementation and subsequent upgrades. This stable background enables us to process transactions within the shortest possible timelines and enhance efficiency of service delivery.

As a value-add service, we regularly provide our clients with information on industry updates and regulatory compliance guidance which has proven to be an essential component of enhancing our clients' import and export processes.

Our efficient Customs brokerage service eliminates demurrage by expediting and coordinating the logistics process right from origin to destination to ensure that each consignment is accompanied by the correct documentation and applicable permits / licenses.
